Your Input Is Needed!

Our [**Special Programs Directors**](#) want your feedback on a new program idea below:

"**GOOD Neighbors**" is a new social opportunity for meeting up and networking in smaller, geographical groups. The idea is to drop in to a neighborhood location (tentatively on a Friday morning). Everyone buys their own food/drink and enjoys a quick check in and catch up with other GOOD members. Every other month an email reminder/invite would be emailed to members, for example: "*GOOD Neighbors, this Friday 7:30-9:00am for the following locations: (geographical areas and locations TBD)*"

We may use SurveyMonkey to test interest and to see where people might group geographically (where we have a concentration of members).

email meeting announcements for the first meeting to be scheduled in mid-summer. Thanks, Susan, for bringing leadership back to this important Community of Practice!

Coaching COP meets monthly. Join us on [June 16, 2017](#) for a program on "**How to Effectively Coach Teams and Groups**" presented by Don Knagge and Belinda MJ Brown.

The program description for the meeting on [July 21, 2017](#) will be posted on the website after it is finalized. Registration for both events is open. [Check the Events Page.](#)
