Website Renovation Begins!

Beginning in February, the website will
be receiving a major upgrade. The new
site will be more responsive to mobile
devices, adding to the ease of use and
reading content on smart phones in
particular. You may have noticed, some
changes to our existing navigation have
already begun. Many of the restricted
Member Only pages are now under a
Members Only Pages tab including:
Member Directory, Member Spotlight,
Job Bank, Member Job Search,
Governance Documents, Bi-Monthly
Program Downloads, Community of
Practice Meeting Downloads, and the
Leadership Team Documents. **You must
be logged into the website with
your email and password for these
restricted pages to display.**

As we make the template change, the
website will be operational, but it may
look like a "hot mess" until we can get
the pages reformatted to display
properly. So, if you login and find things
out of whack, please be patient. Our

above link for on demand access, powerpoint slides plus worksheet to assist with calculations.

administrator has over 80 different pages that will have to be adjusted in some fashion. You can still register for meetings, pay dues, and visit the pages. But, if you have trouble while we are changing things, just drop a note to the website administrator for help at website@goodnetwork.us.

Advance notice will be given of the upcoming disruption. Thank you in advance for your patience.
