GOOD has been offered 4 free seats to an introductory learning tools workshop, Metalog Playshop, offered by Breakthrough Learning at the Rosen Plaza Hotel on Saturday, May 14.

If interested in taking part, email President@goodnetwork.us by Thursday, April 7 to have a chance to win a seat. Winners names will be pulled from the hat at the April Bi-monthly. Details on the workshop are posted on the Workshops Page where we post external workshops. GOOD doesn't endorse any workshops posted there -- we are just sharing things of potential interest.

<u>Directory webpage</u>, here are some instructions on how to make portions of your Member Profile visible to the general public on the Directory.

The Member Profile is created from the Member Application which sets all fields automatically set to "Member Only" view -- so you have to manually update your own Profile to make some of it viewable to the PUBLIC or non-logged in Members.

We have created a tutorial PDF with screenshots to guide you in making these changes to your Member Profile and Privacy Settings. It is a fairly quick and straightforward process. Please open and save this tutorial PDF for step by step instructions If you need any help, reach out to website@goodnetwork.us for an assist!
