FEBRUARY 11, 2022 BIMONTHLY MEETING

*"It's All About Context!
Optimizing Learning for and in
the Workplace"*

Friday, February 11, 2022

Cognitive scientists have long known the importance of place for the acquisition of skills and tasks; however, with the advent of virtual and distance-spanning technologies, the need to re-incorporate place and context back into learning is fraught with challenges. [Learn more....](#)
