### MENTORING PROGRAM UPDATE

The 2022-23 GOOD Network Mentoring Program is coming to a close! Our mentoring partners have been working diligently to develop and pursue goals over the last 9 months and now it is time to shift into the next phase - reflection and completion. We've heard from the participants that they have thoroughly enjoyed working together - the exchanges have been valuable, insightful, and thoughtful. We want to thank our participants for their dedication to the program and each other. We will celebrate their partnerships on **June 5 in our closing ceremony**. We hope to see the mentees from this year's program come back as mentors next year.

We will begin recruiting for the 2023-24 cohort in August - please watch for opportunities to sign up to be a mentor or mentee. We hope to see many of you enrolled!
